I continue to provide dry racing conditions – the heavy downpour that started just 50 minutes before the start cleared up in time for the roads to already start drying for the first riders off. It was a little breezy, but on the whole not too bad, and temperatures were not too hot for most.

The slightly tough conditions meant that most people were about 30-40 seconds slower than previous best times on this course.

Congratulations to Jason Gurney in winning, although it was close with last years winner Luke Clarke just 2 seconds down. The winning Team Milton Keynes had their own internal battles for 3rd counter with Simon Cannings gaining that extra second to overcome Ross Clarke for the prize. Nikki Hunt and Gill Reynolds also had a fairly close battle for fastest woman, with Nikki gaining the upper hand by a quarter of a minute. The battle of the tandems was settled by the turn, with Jeremy and Richard passing their opponents well beforehand.

Thank you for staying for the prize presentation after the event. Those few who missed that but won prizes... Well I was going to say tough – beer money for me, but I will be sending it on!

Thank you to all involved with running the event: the timekeepers John Pick & Gordon Hart, the pusher Stewart Boucher, marshals Grahame Freeman (& daughter!), Matt Jones, David Rogers (who also did Turn times), Carol MacDonald & Jon Burgess, Timekeepers assistant Jody Conibear and Results assistant Andy Murray (after riding!). Nigel Goffin took care of the canteen to supply you with tea and cake.

I hope to see you all again next year – and bring friends (tell them it's a great event)! Particularly juniors and women, who always get preference in this event.

Paul
