Make sure you use the latest version of the form

January 2004

This is important for the Organiser (& handicapper, if done). These are your time that should get you an entry (or not, if they are not fast enough!) into an event. Fill it out truthfully and clearly (it is a Word doc, so you can type the details if you have got a PC). I have rejected some in the past due to illegible or inaccurate info - it is easy to find out if you know how!

For lines 1 to 5 enter the event name (these can be open or club events, except for entry to National Champs) and as long as they were CTT events. Also complete the remaining details (Date, your time for each distance (or distance for the 12 hour), the course code (check the CTT book if unsure), and if known, the winners details). If not ridden any of a particular distance, then put 'Nil' - do not leave it blank.

All the times entered here should have been within the current season or any of the previous 3 seasons.
